## Let the children come ...

As you make a child out of modeling clay, keep a child you know in your mind's eye and be praying for him/her. Listen to God about them. Be mindful of the inklings and hunches coming from God regarding this child.

Reflect on Mark 10

### **Activity**

Use the photo above as a guide to the style of people we are after. Try to keep them to a thumb size. Take your time. Pray as you go.

As you are able, reflect on the passage below as you sculpt.

### **Mark 10:13-16**

People were bringing little children to Jesus to have him touch them, but the disciples rebuked them. When Jesus saw this, he was indignant. He said to them, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these. I tell you the truth, anyone who will not receive the kingdom of God like a little child will never enter it." And he took the children in his arms, put his hands on them and blessed them. (NIV)
